

WHY MANOS PROGRAM?

Because...

Our children learn through play.

We promote the socio-emotional development in our children.

We are a full day Pre-k program.

We promote intergenerational engagement among cultures.

We are a dual language program and we recognize the importance and benefits of bilingualism.

We encourage early literacy learning to ensure children are successful in school and life.

We facilitate and model wellness & nutrition.

Our teaching teams reflect the cultures and languages of our community.

MANOS stays in your heart through generations.

MANOS MAKES A DIFFERENCE!
